Here is a copy of my  
letter

10-28-20

To: Head of Classification and Central Records

I am inmate Richard Pilkington  
Ais # 214280, and I am writing to inform  
both parties listed at the top of the page  
that I have serious concerns about my safety  
while I am in Alabama Department of  
Corrections Custody. My problems all started  
while I was at Kilby Processing Facility in  
2016. I got I & I to investigate two  
officers, Blackmon and Simpson, who both  
assaulted me while I had handcuffs on.  
They hit me very hard in the stomach that  
my liver almost shut down. Blackmon was  
bringing drugs to Kilby, and got caught  
by Officer McKnutt of I & I. As a  
result, the gang known as G.D. said  
the package was for them, so because of  
my involvement with I & I they started  
extorting me since they blamed me for  
the drug bust. When I was transferred  
to St. Claire Correctional Facility, within  
days, Michael Gray (Mike G.) and Bankhead,  
the head of the G.D.'s were at St. Claire  
started extorting me. Mike G. and Bankhead  
put an order on me to pay them \$20,000.00  
for the lost of their horse and drugs.

②

I have been to every prison in the state, except for Holman Correctional Facility.

Due to cell phones in every prison in the state, somebody that is a member of the G.D.'s gang find me and begin extorting me. I can't get help from the prison guards or staff, so I have to go to the next level, and start cutting my wrist to receive help from mental Health. I have cut my wrist five times just to get help. Since I couldn't get help from prison guards and staff, I would have to borrow money to pay the G.D.'s off at every prison. As a result, I have borrowed over 10,000.00 from other inmates that I can't pay back, so my life is in extreme danger. While I was at ~~Elmore~~ Prison, I told two officers where drugs and phones were at, when they transferred me to Hamilton A & I, and they went back and told the inmates at ~~Elmore~~ to move their drugs and phones because I told them where everything was at. Now, there is a hit on my head for this as well, and they almost got me at Staten Correctional Facility. They were going to stab me up, so I ran to the Shift Office and told them I needed to see mental Health. I told

⑤

Please help me concerning this matter. I would really appreciate it from the bottom of my heart. I have prayed concerning this situation and I'm very confident that I will get the help I need. Even since I've been in lock-up they have come to my cell and threw human fecies and urine in my face through my trayhole. I have been getting death threats and they have even tried to get inmates moved in the cell with me to hurt me or kill me. I have sent a list of names to the head of classification here, Mrs. Blas, who now goes by Mrs. Overchain, that has it out to hurt me and they still put those inmates in the same lock-up, that I am in. I'm in need for help that they won't just put anybody in the cell with me, unless they are pending Protective Custody. There are seventy-six beds in Protective Custody and only 54 people over there. I have been in lock-up over five months. Mrs. Overchain told me herself that they don't have any beds available in Protective Custody, and that is the reason I haven't been moved over there, yet. Which I

⑥

have found to not be true, I have done my own investigation concerning protective custody and it's not a reason why I shouldn't be placed in Protective Custody. I have just as much right as anybody over there to be place in Protective Custody. My reasons are legitimate and true. I even cut my wrist in front of the Commissioner Jefferson Dunn and Cheryl Price when they came to Bullock Prison and they both refused to help me, after I explained my situation to them. Please help me get into Protective Custody here at Limestone Correctional Facility. May God Bless You All! Thank-you for your time and help.

Sincerely,

P.S.

Would you please forward this letter to Ms. Bias (Mrs. Overchain) at Limestone Correctional Facility.
